This matter comes before the Public Service Commission of South Carolina (the Commission) by way of a tariff filing on June 12, 1989, by Business Telcom, Inc. (Business Telcom) for revisions to its South Carolina Tariff. The purpose of the filing is to correct the original filing of its BTI Unlimited WATS service. The revision is structured in per minute rates, while the original filing was structured in hourly bands. The Application alleged that presently there are no subscribers to this service.

The matter was duly noticed and a Petition to Intervene was filed on behalf of Southern Bell Telephone & Telegraph Company (Southern Bell).

By letter dated August 3, 1989, Southern Bell advised the Commission that it wished to withdraw its intervention in the instant docket. The Commission has considered the request to withdraw the intervention of Southern Bell and finds that it should be allowed. In light of the withdrawal of Southern Bell's intervention in this matter, the Commission has determined that the tariff filed by Business Telcom should be approved and the instant docket closed.

IT IS SO ORDERED.
